Cowledge, T. M. (1993, July). The importance of bring twins. *Psychology Today*, 35 (3), 20-27.

3. An article published in an online journal. The article, written by author C.B. Cybernaught, entitled "Hyper over Hypertext" and was published online in volume 39, issue number 4, April 2005, in the electronic journal World Wide Wanderer. The article is not paginated and was retrieved 25 May 2008.

Cybernaught, C. B. (1995). Hyper over hypertext-Worldwide. *Wanderer*, 39 (4). access 25 May 2008. URL

4. A report authored by Plantes, Mary Kay, entitled "The effect of work experience on young men's earning". The report was published in 1979 by Madison: Wisconsin University, (Report No.567-79)

Plantes, M. K. (1979). The effect of work experience on young men's earning. (Report No. 567-79) Madison: Wisconsin University

5. A thesis written by Fayadh, K. H. entitled "The legal regulation of assisted reproductive technology in Iraq". The thesis was published in 2005 at Western Sydney University, and Doctoral dissertation, research direct.(database)

Fayadh, K. H. (2005). The legal regulation of assisted reproductive technology in Iraq. [Doctoral

dissertation; Western Sydney University]. researchdirect

question Four (5 Marks)

To make a really effective presentation, you will need to do more than just get the words out in the right order. Elaborate tips for giving effective presentation

✓ Enthusiasm is essential. Try to smile, and make eye contact with members of the audience as often as possible. Remember if you look bored, why should anybody else want to listen.

✓ Never mumble or gabble. Remember to speak slowly and clearly, and keep your voice at a steady pitch. Pause regularly to allow the audience to digest what you have said.

✓ Short words and simple sentences will have more impact than long and complicated ones. Be sure to avoid tangents.

Which of the following is a positive facial expression?

- a. Starting hard b. wrinkled forehead c. Looking somewhere else

(d) Nodding while listening

Choose the correct formatting for a level 2 section heading:

- a. Centered, boldface, uppercase and lowercase text
b. Centered, upper case and lowercase text
(c) Flush left, bold face, upper case and lowercase text
d. Flush left, uppercase and lowercase text
